## CAPTAIN M'GARRY TO LECTURE

Captain McGarry will lecture at the Presbyterian church Sunday afternoon at 3:00 o'clock, on the topic "Keeping Fit." Every man and woman over sixteen years of age should hear this talk, as there is great need of knowing the true facts about the conditions that exist.

Dr. McGarry comes under the direction of the State Board of Health and Miss Delavan of the State Board of Health, Department of Education, says: "Dr. McGarry was for a year and a half director of one of the largest venereal camp clinics in the country. He has had unusual professional experience and, on top of that, he is a very interesting man. I feel certain that you will like him." He will plan to stay on Monday for a talk in the Republic plant.

This lecture is along the line covered by the picture, "Fit to Win," which will be shown at the Liberty theatre Tuesday and Wednesday of next week. Every man and woman in Alma is urged to see this picture, which is put out by the Department of Public Health of the U. S. Gov't. It will be shown in the afternoon, beginning at 12:30 for women only, and in the evening for men only. The need for arousing the people of Alma to the dangers of social disease is great. Every merchant and business man who employs women and girls should arrange to allow them to see "Fit to Win."

## APPOINTMENTS NEXT WEEK

On Tuesday evening of next week Mayor Charles R. Murphy and the city commission will make the appointments for the various appointive offices for the city of Alma for the ensuing year. While nothing can be gathered from the members of the commission, it is understood that practically all of the appointments for the coming year have been decided upon by the commission which has been meeting very frequently during the past month.

There are more appointive offices to be filled than usual, including the offices of city clerk and city treasurer. The list of these offices follows: City manager and engineer, city clerk, city treasurer, chief of police, city attorney, city physician, purchasing agent, building inspector, two constables and a sealer of weights and measures. A board of review, consisting of three members, and a board of special assessors, consisting of three members is also to be appointed at this meeting.

## VICTORY LOAN ENDS SATURDAY

(Continued from page one) the county next week for a recruiting drive for the air service. This was to have been combined with the Victory Loan demonstration, had the planes arrived this week. Chairman T. Arnold Robinson is issuing an appeal to the wealthier people of the county to purchase more bonds, to aid in putting the county over and bringing the county's war record to a fitting close.

## The World is Cheerful.

Doctor Johnson's old shoemaker said that he could not be a philosopher because "cheerfulness was always breaking in." Our world of mankind cannot be that kind of a philosopher, either for the same reason. It may have its moods and depressions, or prove to the utmost the reasonableness of despair; but there is an inexhaustible spring of vigor within it, and vigor is another word for joy—from the popular Review.

## The Candle in History.

The cult of the candle plays a large role in Roman, Jewish and Eastern ecclesiastical history; and many are the customs that have their birth in some magical or ritualistic use to which the candle has been put. In some parts of Ireland, for instance, it was usual on Christmas eve to burn a large candle which no one was permitted to snuff except those who bore the name of Mary.

## He Stuck to It.

The judge was listening to testimony in a case and ventured to interrupt a remark. "Do you claim that this man hit you with malice aforethought?" he asked. The complainant eyed him suspiciously for a moment and then replied: "You can't mix me up as easy as that judge. I said he hit me with a flivver, and I stuck to it." —The Argonaut.

## Pope's Poetry.

His poetry is not a mountain-tarn like that of Wordsworth; it is not in sympathy with the higher moods of the mind; yet it continues entertaining in spite of all changes of mode. It was a mirror in a drawing room, but it gave back a faithful image of society, powdered and rouged, to be sure, and intent on trifles, yet still as human in its way as the heroes of Homer in theirs. —Lowell

## Time is Money.

In Korea, both among prosperous Christians and among those to whom money is a hazy and infrequent visitor, a favorite subscription blank is one which says: "I promise to give — days to church work this year." The days thus given are devoted to evangelistic services or to the building of churches and schools. —World Outlook.

## Fortunate is Our Country.

It is stated that the United States has 5 per cent of the world's population and 33 per cent of its wealth. In other words, one-twentieth of the people and one-third of the money of the whole world.

## TESTED AND PROVEN

There is a Heap of Solace in Being Able to Depend Upon a Well-Earned Reputation.

For months Alma readers have seen the constant expression of praise for Doan's Kidney Pills, and read about the good work they have done in this locality. What other remedy ever produced such convincing proof of merit?

Mrs. Nancy E. Briggs, Newark st., Ithaca, Mich., says: "For years I was a sufferer from kidney disorders. I had rheumatic pains and my kidneys acted too frequently. My back ached, I was restless and mornings I felt all tired out. Sometimes I was nervous and dizzy. When I saw Doan's advertised, I got some. They relieved me in every way."

OVER THREE YEARS LATER, Mrs. Briggs said: "When I feel the need of a kidney medicine, I use Doan's Kidney Pills. They always give me relief."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Briggs had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
